

Silent night, holy night  
All is calm, all is bright  
Round yon virgin, mother and child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace

Silent night, holy night  
Shepherd first see the light  
Gather hallelujah sing  
With the heavenly chorus sing  
Christ the saviour is born  
Christ the saviour is born

Silent night, holy night  
Son of god, loves pure light  
Radiant beams from the holy face  
With the dawn of redeeming grace  
Jesus lord at thy birth  
Jesus lord at thy birth
